

MAZAMA

Mazama

Easy (30 miles roundtrip) (1.5 hours)

Easy gently undulating ride up the Methow Valley on Hwy 20 (busier than some of the side roads, but good shoulder and visibility). Ride West on Hwy 20 for 9 mi, turn right on Goat Creek Road for a slightly hillier but pretty ride the last 6 mi to Mazama.

Reward your body by stocking up on Espresso and fresh baked pastries at the Mazama Store. The Ride back can be a reverse of the outward trip or ride out to Hwy 20 at Mazama and come back down the Hwy. Beware some brutal winds in the Spring, which are usually blowing DOWN valley by mid day- great news if you are coming back but not if you are still going out!

Overachievers: Add and out and back to Lost River to your agenda- this is another 12 miles round trip of pretty undulating terrain. Alternatively start this side trip from the store.

Note D-Tours Bike shop is located in Mazama for spares, tune ups, or just say hello to Dave.
